

# JOURNEYMAN

Shown With Options

Columbia's Journeyman series is built for work. These multi-use vehicles are perfect for all-day use. The features of the Journeyman series are built to improve fleet productivity. Whether you are in need of vehicles for maintenance, higher education, hospitality, construction, or shuttling, the Journeyman can easily switch from task to task without slowing you down. When you need to do it all, have a Journeyman at your side.
